

## From J.T.B. (J. Turner Butler Blvd.) Route 202

Take Belfort Road exit, head North (towards St. Vincent Hospital)

Proceed straight towards traffic light (approximately 500 feet), get into the left hand turn lane (St. Vincent's Hospital will be on your right)

At the light, make left turn onto Southpoint Parkway and proceed straight, you will encounter an intersection in approximately 1000 feet, proceed straight through intersection

Then proceed approximately 750 feet and you will see a sign ahead on the right that reads "6817", make a right turn just before the sign

Then proceed straight, do not take the first left, rather continue straight and follow the road as it later bends first to the left and then right, this leads into our office complex parking lot

Follow the office number signs, they start in the "1400s" and descend, follow until you reach 502.
